

“What You Need to Know About the COVID-19 Vaccines”

**Tuesday, March 30, 2021
5:00 - 6:30 p.m.**

Topics:

- *How do the vaccines work?*
- *Is the vaccine safe?*
- *How well will I be protected?*
- *What are the side effects of the vaccine?*
- *How is the vaccine being distributed in our region?*
- *What does it feel like to be vaccinated?*
- *When will I be able to be vaccinated?*

[Submit your questions for the panelists in advance of the event here](#)

Our panel will include:

Lynne Feldman
LifePath

Gina Campbell
Valley Medical Group

Senator Jo Comerford
Hampshire, Franklin, Worcester District

Jennifer Hoffman
