- c. **Selectboard Meeting Minutes: March 8, 2019, March 12, 2019** – Dena Willmore moved to approve and sign the Meeting Minutes; Barry Del Castilho seconded. **VOTED** unanimously in favor.

Dena Willmore updated the Board on activities at the Town Garage, the most significant being that destruction of the concrete portion of the Mayhew building had begun. There was a request by Dena Willmore that the Highway crew be allowed to do the trench work for at least part of the trenching needed to move the water piping to both the new building and the old Butler building. The Board did not vote but agreed this would be acceptable if it did not impede the crew's work in filling pot holes which are significantly worse this year than in prior years.
