Here is a shout out to the team that snagged 14 appointments for Buckland residents needing the vaccine - the Senior Center asked us to help and this group rose to the occasion on Friday night, February 26. Waiting 4 to 5 hours for the link to go live, Regina Purinton, Andrea Donlon, Laura Scot, Laurie Benoit, and Marti Ferguson (our fearless and tireless leader) were successful in ensuring this group got jabs on this week in Bernardston. It takes a village. We have one awesome one here in Buckland.
