4-9 PERFORMANCE STANDARDS FOR SHORT TERM RESIDENTIAL RENTALS

The purpose of this section is to allow for short-term rentals while ensuring public safety, preventing possible nuisances for abutters, minimizing reductions to available long term (greater than 31 consecutive days) rental housing, and preserving the character of the town's neighborhoods. Rentals for a period of 31 days or less may be allowed in residential dwellings subject to the conditions outlined below.

a) Continuance of Operation

Upon the effective date of this Bylaw, existing Short Term Residential Rentals will have the following ability to operate based on the conditions below:

- 1. <u>All existing Owner Occupied Short Term Residential Rentals have the right to</u> <u>continue as a permitted use, so long as they are registered and licensed.</u>
- 2. <u>All existing Non-Owner Occupied Short Term Residential Rentals that have</u> registered and been inspected with the Town of Buckland as of DATE OF NOTICE

OF PUBLIC HEARING, have the right to continue as a permitted use, so long as they continue to be registered and licensed.

- b) Performance Standards
 - 1. No more than two (2) adult occupants per room for overnight accommodation.
 - 2. <u>A minimum of one (1) off-street parking space shall be provided for each room</u> for overnight accommodation to be rented, unless an alternate parking plan is provided and approved by Special Permit subject to the criteria outlined in the purpose of this section. Total parking for the short term residential rental shall not exceed more than a total of four (4) spaces.
 - 3. <u>No loud noise or music, excessive traffic, or other disturbances shall be allowed.</u>
 - 4. <u>The Operator must obtain all the necessary state and local licenses and</u> <u>approvals for the short term rental prior to renting out rooms for overnight</u> <u>accommodation, including the following:</u>
 - a. <u>Demonstrated compliance with all applicable Board of Health and Building</u> <u>Code provisions, which may include application to the Board of Health and</u> <u>inspections by the Board of Health and Building Inspector.</u>
 - b. Demonstrated compliance with Buckland General Bylaw _____ and regulations promulgated thereunder, which shall include registration of the Short Term Residential Rental with the Town containing information where the owner or their agent can be contacted on a 24/7 basis to respond to any disturbances or emergencies associated with the Short Term Residential Rental.
 - 5. The Short Term Residential Rental property may not be used for commercial events such as weddings or other large parties unless a Special Permit is granted subject to the criteria outlined in the purpose of this section. All required insurance and other permits shall be obtained prior to the event with documentation submitted to the Planning Board.
 - 6. <u>Outdoor lighting to guide visitors to their accommodations shall be</u> pedestrian in scale and shall be directed downward to shield abutting properties from impacts. Lighting shall incorporate full cut-off fixtures to reduce light pollution and fixtures shall be "dark sky" compliant and meet International Dark Sky FSA certification requirements.
