STANDARD CONTRACT FORM INSTRUCTIONS CONTRACTOR CERTIFICATIONS COMMONWEALTH TERMS AND CONDITIONS

INSTRUCTIONS

The following Instructions, Contractor Certifications and the applicable Commonwealth Terms and Conditions are incorporated by reference into an executed Standard Contract Form. Instructions are provided to assist with completion of the Standard Contract Form. Additional terms are incorporated by reference. Links to legal citations are to unofficial versions and Departments and Contractors should consult with their legal counsel to ensure compliance with all legal requirements. Please note that not all applicable laws have been cited.

Contractor Legal Name (and D/B/A): Enter the Full Legal Name of the Contractor's business as it appears on the Contractor's W-9 or W-4 Form (Contract Employees only) and the applicable Commonwealth Terms and Conditions. If Contractor also has a "doing business as" (d/b/a) name, BOTH the legal name and the "d/b/a" name must appear in this section.

Contractor Legal Address: Enter the Legal Address of the Contractor as it appears on the Contractor's W-9 or W-4 Form (Contract Employees only) which must match the legal address on the 1099I table in MMARS (or the Legal Address in HR/CMS for a Contract Employee).

Contractor Contract Manager: Enter the authorized Contract Manager who will be responsible for managing the Contract. The Contract Manager should be an Authorized Signatory or, at a minimum, a person designated by the Contractor to represent the Contractor, receive legal notices and negotiate ongoing Contract issues. The Contract Manager is considered "Key Personnel" and may not be changed without the prior written approval of the Department. If the Contract is posted on COMMBUYS, the name of the Contract Manager must be included in the Contract on COMMBUYS.

Contractor E-Mail Address/Phone/Fax: Enter the electronic mail (e-mail) address, phone and fax number of the Contractor Contract Manager. This information must be kept current by the Contractor to ensure that the Department can contact the Contractor and provide any required legal notices. Notice received by the Contract Manager (with confirmation of actual receipt) through the listed address, fax number(s) or e-mail address will meet any written legal notice requirements.

Contractor Vendor Code: The Department must enter the MMARS Vendor Code assigned by the Commonwealth. If a Vendor Code has not yet been assigned, leave this space blank and the Department will complete this section when a Vendor Code has been assigned. The Department is responsible under the Vendor File and W-9s Policy for verifying with authorized signatories of the Contractor, as part of contract execution, that the legal name, address and Federal Tax Identification Number (TIN) in the Contract documents match the state accounting system.

Vendor Code Address ID: (e.g., "AD001") The Department must enter the MMARS Vendor Code Address ID identifying the payment remittance address for Contract payments, which MUST be set up for EFT payments PRIOR to the first payment under the Contract in accordance with the Bill Paying and Vendor File and W-9 policies.

Commonwealth Department Name: Enter the full Department name with the authority to obligate funds encumbered for the Contract.

Commonwealth MMARS Alpha Department Code: Enter the three (3) letter MMARS Code assigned to this Commonwealth Department in the state accounting system.

Department Business Mailing Address: Enter the address where all formal correspondence to the Department must be sent. Unless otherwise specified in the Contract, legal notice sent or received by the Department's Contract Manager

(with confirmation of actual receipt) through the listed address, fax number(s) or e-mail address for the Contract Manager will meet any requirements for legal notice.

Department Billing Address: Enter the Billing Address or e-mail address if invoices must be sent to a different location. Billing, confirmation of delivery or performance issues should be resolved through the listed Contract Managers.

Department Contract Manager: Identify the authorized Contract Manager who will be responsible for managing the Contract, who should be an authorized signatory or an employee designated by the Department to represent the Department to receive legal notices and negotiate ongoing Contract issues.

Department E-Mail Address/Phone/Fax: Enter the e-mail address, phone and fax number of the Department Contract Manager. Unless otherwise specified in the Contract, legal notice sent or received by the Contract Manager (with confirmation of actual receipt) through the listed address, fax number(s) or e-mail address will meet any requirements for written notice under the Contract.

MMARS Document ID(s): Enter the MMARS 20-character encumbrance transaction number associated with this Contract, which must remain the same for the life of the Contract. If multiple numbers exist for this Contract, identify all Document IDs.

RFR/Procurement or Other ID Number or Name: Enter the Request for Response (RFR) or other Procurement Reference number, Contract ID Number or other reference or tracking number for this Contract or Amendment which will be entered into the Board Award Field in the MMARS encumbrance transaction for this Contract.

NEW CONTRACTS (Left Side of Form):

Complete this section ONLY if this Contract is brand new. (Complete the CONTRACT AMENDMENT section for any material changes to an existing or an expired Contract, and for exercising options to renew or annual contracts under a multi-year procurement or grant program.)

Procurement or Exception Type: Check the appropriate type of procurement or exception for this Contract. Only one option can be selected. See the Office of the Comptroller Guidance for Vendors Policies (State Finance Law and General Requirements, Acquisition Policy and Fixed Assets) and the Operational Services Division Conducting Best Value Procurements Handbook for details.

Statewide Contract (OSD or an OSD-designated Department): Check this option for a Statewide Contract under OSD, or by an OSD-designated Department.

Collective Purchase approved by OSD: Check this option for Contracts approved by OSD for collective purchases through federal, state, or local government or other entities.

Department Procurement: Check this option for a Department contract procurement including state grants and federal sub-grants under [815 CMR 2.00](#) and State Grants and Federal Subgrants Policy, Departmental Master Agreements (MA). If this is a multi-Department user Contract, state that multi-Department use is allowable in the section labeled "Brief Description."

Emergency Contract: Check this option when the Department has determined that an unforeseen crisis or incident has arisen which requires or mandates immediate purchases to avoid substantial harm to the functioning of government, the provision of necessary or mandated services, or where the health, welfare or safety of clients or other persons or serious damage to property is threatened.

Contract Employee: Check this option when the Department requires the performance of an Individual Contractor, and when the planned Contract performance with an Individual has been classified using the Employment Status

STANDARD CONTRACT FORM INSTRUCTIONS CONTRACTOR CERTIFICATIONS COMMONWEALTH TERMS AND CONDITIONS

Form (prior to the Contractor's selection) as work of a Contract Employee and not that of an Independent Contractor.

Other Procurement Exception: Check this option when another procurement exception exists, such as legislation with specific language naming the Contractor as a recipient of a grant or contract, an existing legal obligation, a prohibition or other circumstance that exempts or prohibits a Contract from being competitively procured, or identify any other procurement exception not already listed. Legislative "earmarks" exempt the Contract solely from procurement requirements; all other Contract and state finance laws and policies apply. Supporting documentation must be attached to explain and justify the exemption.

CONTRACT AMENDMENT (Right Side of Form)

Complete this section for any Contract being renewed, amended, or to continue a lapsed Contract. All Contracts with available options to renew must be amended referencing the original procurement and Contract Document IDs, since all continuing contracts must be maintained in the same Contract file (even if the underlying appropriation changes each fiscal year). See "Amendments, Suspensions, and Termination Policy."

Enter Current Contract End Date: Enter the termination date of the Current Contract being amended, even if this date has already passed. (Note: Current Start Date is not requested since this date does not change and is already recorded in MMARS.)

Enter Amendment Amount: Enter the amount of the Amendment increase or decrease to a Maximum Obligation Contract. Enter "no change" for Rate Contracts or if there is no change.

Amendment Type: Identify the type of Amendment being made. Documentation supporting the updates to performance and budget must be attached.

Amendment to Date, Scope or Budget: Check this option when renewing a Contract or executing an Amendment ("material change" in Contract terms) even if the Contract has lapsed. The parties may negotiate a change in any element of Contract performance or cost identified in the RFR or the Contractor's response which results in lower costs, or a more cost-effective or better value performance than was presented in the original selected response, provided the negotiation results in a better value within the scope of the RFR than what was proposed by the Contractor in the original selected response. Any "material change" in the Contract terms must be memorialized in a formal Amendment even if a corresponding MMARS transaction is not needed to support the change. Additional negotiated terms will take precedence over the relevant terms in the RFR and the Contractor's Response only if made using the process outlined in [801 CMR 21.07](#), incorporated herein, provided that any amended RFR or Response terms result in best value, lower costs, or a more cost effective Contract.

Interim Contracts: Check this option for an Interim Contract to prevent a lapse of Contract performance whenever an existing Contract is being re-procured but the new procurement has not been completed, to bridge the gap during implementation between an expiring and a new procurement, or to contract with an interim Contractor when a current Contractor is unable to complete full performance under a Contract.

Contract Employee: Check this option when the Department requires a renewal or other amendment to the performance of a Contract Employee.

Other Procurement Exception: Check this option when another procurement exception exists, such as legislation with specific language naming the Contractor as a recipient of a grant or contract, an existing legal obligation, a prohibition or other circumstance that exempts or prohibits a Contract from being

competitively procured, or identify any other procurement exception not already listed. Legislative "earmarks" exempt the Contract solely from procurement requirements, and all other Contract and state finance laws and policies apply. Attach Supporting documentation to explain and justify the exemption and whether Contractor selection has been publicly posted.

COMMONWEALTH TERMS AND CONDITIONS

Identify which version of the Commonwealth Terms and Conditions is incorporated by reference into this Contract: the Commonwealth Terms and Conditions (TC), the Commonwealth IT Terms and Conditions (TC-IT), or the Commonwealth Terms and Conditions for Human and Social Services (TC-HHS). The Comptroller Expenditure Classification Handbook identifies the applicable Commonwealth Terms and Conditions based upon the object code for the contract.

COMPENSATION

Identify if the Contract is a **Rate Contract** (with no stated Maximum Obligation) or a **Maximum Obligation Contract** (with a stated Maximum Obligation) and identify the Maximum Obligation. If the Contract is being amended, enter the new Maximum Obligation based upon the increase or decreasing Amendment. The Total Maximum Obligation must reflect the total funding for the dates of service under the contract, including the Amendment amount if the Contract is being amended. The Maximum Obligation must match the MMARS encumbrance. Funding and allotments must be verified as available and encumbered prior to incurring obligations. If a Contract includes both a Maximum Obligation component and Rate Contract component, check off both. Specific Maximum Obligation amounts or amended amounts and Attachments must clearly outline the Contract breakdown to match the encumbrance.

PROMPT PAY DISCOUNTS

Payments are processed within a 45 day payment cycle through EFT, in accordance with the Commonwealth Bill Paying Policy for investment and cash flow purposes. Departments may NOT negotiate accelerated payments and Payees are NOT entitled to accelerated payments UNLESS a prompt payment discount (PPD) is provided to support the Commonwealth's loss of investment earnings for this earlier payment, or unless a payment is legally mandated to be made in less than 45 days (e.g., construction contracts, Ready Payments under [M.G.L. c. 29, § 23A](#)). See Prompt Pay Discounts Policy. PPD are identified as a percentage discount which will be automatically deducted when an accelerated payment is made. Reduced contracts rates may not be negotiated to replace a PPD. If PPD fields are left blank, please identify that the Contractor agrees to the standard 45 day cycle, a statutory/legal exemption such as Ready Payments ([M.G.L. c. 29, § 23A](#)), or only an initial accelerated payment for reimbursements or startup costs for a grant, with subsequent payments scheduled to support standard EFT 45 day payment cycle. Financial hardship is not a sufficient justification to accelerate cash flow for *all* payments under a Contract. Initial grant or contract payments may be accelerated for the *first* invoice or initial grant installment, but subsequent periodic installments or invoice payments should be scheduled to support the Payee cash flow needs and the standard 45 day EFT payment cycle, in accordance with the Bill Paying Policy. Any accelerated payment that does not provide for a PPD must have a legal justification in the Contract file for audit purposes explaining why accelerated payments were allowable without a PPD.

STANDARD CONTRACT FORM INSTRUCTIONS CONTRACTOR CERTIFICATIONS COMMONWEALTH TERMS AND CONDITIONS

BRIEF DESCRIPTION OF CONTRACT PERFORMANCE

Enter a brief description of the Contract performance, project name or other identifying information for the Contract to specifically identify the Contract performance, match the Contract with attachments, determine the appropriate expenditure code (as listed in the [Expenditure Classification Handbook](#)) or to identify or clarify important information related to the Contract such as the Fiscal Year(s) of performance (ex. "FY2021" or "FY2021-23"). Identify settlements or other exceptions and attach more detailed justification and supporting documents. Enter "Multi-Department Use" if other Departments can access the procurement. For Amendments, identify the purpose and what items are being amended. Merely stating "see attached" or referencing attachments without a narrative description of performance is insufficient.

ANTICIPATED START DATE

The Department and Contractor must certify when obligations under this Contract/Amendment may be incurred. Option 1 is the default option when performance may begin as of the Effective Date (latest signature date and any required approvals). If the parties want a new Contract or renewal to begin as of the upcoming fiscal year then list the fiscal year(s) (ex. "FY2021" or "FY2021-23") in the Brief Description section. Performance starts and encumbrances reflect the default Effective Date (if no FY is listed) or the later FY start date (if a FY is listed). Use Option 2 only when the Contract will be signed well in advance of the start date and identify a specific future start date. Do not use Option 2 for a fiscal year start unless it is certain that the Contract will be signed prior to the fiscal year. Option 3 is used in lieu of the Settlement and Release Form when the Contract/Amendment is signed late, and obligations are incurred by the Contractor prior to the Effective Date, which the Department has either requested, accepted, or deemed legally eligible for reimbursement, and the Contract includes supporting documents justifying the performance or proof of eligibility and approximate costs. Any obligations incurred outside the scope of the Effective Date under any Option listed, even if the incorrect Option is selected, shall be automatically deemed a settlement included under the terms of the Contract and upon payment to the Contractor will release the Commonwealth from further obligations for the identified performance. All settlement payments require justification and must be under the same encumbrance and object codes as the Contract payments. Performance dates are subject to [M.G.L. c. 4, § 9](#).

CONTRACT END DATE

The Department must enter the date that Contract performance will terminate. If the Contract is being amended and the Contract End Date is not changing, this date must be entered again here. A Contract must be signed for at least the initial duration but not longer than the period of procurement listed in the RFR, or other solicitation document (if applicable). No new performance is allowable beyond the end date without an amendment, but the Department may allow a Contractor to complete minimal close out performance obligations if substantial performance has been made prior to the termination date of the Contract and prior to the end of the fiscal year in which payments are appropriated, provided that close out performance is subject to appropriation and funding limits under state finance law, and CTR may adjust encumbrances and payments in the state accounting system to enable final close out payments. Performance dates are subject to [M.G.L. c. 4, § 9](#).

CONTRACTOR AUTHORIZED SIGNATORIES FOR EXECUTION

See Comptroller policies entitled "Department Head Signature Authorization" and "Contractor Authorized Signatory Listing" for guidance.

Authorizing Signature for Contractor/Date: The Authorized Contractor Signatory must (in their own handwriting and in ink) sign AND enter the date the Contract is signed. See section above under "Anticipated Contract Start Date." Acceptance of payment by the Contractor shall waive any right of the Contractor to claim the Contract/Amendment is not valid and the Contractor may not void the Contract. Rubber stamps are not acceptable. Proof of Contractor signature authorization on a Contractor Authorized Signatory Listing may be required by the Department if not already on file. See the Commonwealth's policy on electronic or digital signatures.

Contractor Name/Title: The Contractor Authorized Signatory's name and title must appear legibly as it appears on the Contractor Authorized Signatory Listing.

Authorizing Signature For Commonwealth/Date: The Authorized Department Signatory must (in their own handwriting and in ink) sign AND enter the date the Contract is signed. See section above under "Anticipated Start Date." Rubber stamps are not acceptable. The Authorized Signatory must be an employee within the Department legally responsible for the Contract. See Department Head Signature Authorization. The Department must have the legislative funding appropriated for all the costs of this Contract or funding allocated under an approved Interdepartmental Service Agreement (ISA). A Department may not contract for performance to be delivered to or by another state department without specific legislative authorization (unless this Contract is a Statewide Contract). For Contracts requiring Secretariat signoff, evidence of Secretariat signoff must be included in the Contract file.

Department Name/Title: Legibly enter Authorized Signatory's name and title.

CONTRACTOR CERTIFICATIONS AND LEGAL REFERENCES

Notwithstanding verbal or other representations by the parties, the "Effective Date" of this Contract or Amendment shall be the latest date that this Contract or Amendment has been executed by an authorized signatory of the Contractor, the Department, or a later Contract or Amendment Start Date specified, subject to any required approvals. The Contractor makes all certifications required under this Contract under the pains and penalties of perjury, and agrees to provide any required documentation upon request to support compliance, and agrees that all terms governing performance of this Contract and doing business in Massachusetts are attached or incorporated by reference herein.

Commonwealth and Contractor Ownership Rights. The Contractor certifies and agrees that the Commonwealth is entitled to ownership and possession of all "deliverables" purchased or developed with Contract funds. A Department may not relinquish Commonwealth rights to deliverables nor may Contractors sell products developed with Commonwealth resources without just compensation. The Contract should detail all Commonwealth deliverables and ownership rights and any Contractor proprietary rights.

Qualifications. The Contractor certifies that it is qualified and shall at all times remain qualified to perform this Contract, and that performance shall be timely and meet or exceed industry standards for the performance required, which includes obtaining requisite licenses, registrations, permits, resources for performance, and sufficient professional, liability, and other appropriate insurance to cover the performance. If the Contractor is a business, the Contractor certifies that it is listed under the Secretary of State's website as licensed to do business in Massachusetts, as required by law.

Laws and Regulations Prohibiting Discrimination and Human Trafficking. Contractors acknowledge and certify as a condition of this Contract that they are responsible for complying fully with all state and federal laws prohibiting

STANDARD CONTRACT FORM INSTRUCTIONS CONTRACTOR CERTIFICATIONS COMMONWEALTH TERMS AND CONDITIONS

discrimination, human trafficking, and forced labor, including but not limited to M.G.L. c. 265 §§ 49-57.

Business Ethics and Fraud, Waste and Abuse Prevention. The Contractor certifies that performance under this Contract, in addition to meeting the terms of the Contract, will be made using ethical business standards and good stewardship of taxpayer and other public funding and resources to prevent fraud, waste and abuse.

Collusion. The Contractor certifies that this Contract has been offered in good faith and without collusion, fraud, or unfair trade practices with any other person, and that any actions to avoid or frustrate fair and open competition are prohibited by law and shall be grounds for rejection or disqualification of a Response or termination of this Contract.

Public Records and Access. The Contractor shall provide full access to records related to performance and compliance to the Department and officials listed under [Executive Order 195](#) and [M.G.L. c. 11, § 12](#) for six (6) years beginning on the first day after the final payment under this Contract or such longer period as necessary for the resolution of any litigation, claim, negotiation, audit or other inquiry involving this Contract. Access to view Contractor records related to any breach or allegation of fraud, waste and/or abuse may not be denied and Contractor can not claim confidentiality or trade secret protections solely for viewing but not retaining documents. Routine Contract performance compliance reports or documents related to any alleged breach or allegation of non-compliance, fraud, waste, abuse or collusion may be provided electronically and shall be provided at Contractor's own expense. Reasonable costs for copies of non-routine Contract related records shall not exceed the rates for public records under [950 CMR 32.00](#).

Debarment. The Contractor certifies that neither it nor any of its subcontractors are currently debarred or suspended by the federal or state government under any law or regulation including [Executive Order 147](#), [M.G.L. c. 29, § 29F](#), [M.G.L. c. 30, § 39R](#), [M.G.L. c. 149 §§ 27C, 44C](#) and [148B](#), and [M.G.L. c. 152, § 25C](#).

Applicable Laws. The Contractor shall comply with all applicable state laws and regulations including, but not limited to, the Massachusetts General Laws; the Official Code of Massachusetts Regulations; Code of Massachusetts Regulations (unofficial); [801 CMR 21.00](#) (Procurement of Commodity and Service Procurements, Including Human and Social Services); [815 CMR 2.00](#) (Grants and Subsidies); [808 CMR 1.00](#) (Compliance, Reporting and Auditing for Human And Social Services); AICPA Standards; confidentiality of Department records under [M.G.L. c. 66A](#); and the [Massachusetts Constitution Article XVIII](#), if applicable.

Invoices. The Contractor must submit invoices in accordance with the terms of the Contract and the Commonwealth Bill Paying Policy. Contractors must be able to reconcile and properly attribute concurrent payments from multiple Departments. Final invoices in any fiscal year must be submitted no later than August 15 for performance made and received (goods delivered, services completed) prior to June 30, in order to make payment for that performance prior to the close of the fiscal year to prevent reversion of appropriated funds. Failure to submit timely invoices by August 15 or other date listed in the Contract shall authorize the Department to issue an estimated payment based upon the Department's determination of performance delivered and accepted. The Contractor's acceptance of an estimated payment releases the Commonwealth from further claims for these invoices. If budgetary funds revert due to the Contractor's failure to submit timely final invoices, or for disputing an estimated payment, the Department may deduct a penalty of up to 10% from any final payment in the next fiscal year for failure to submit timely invoices.

Payments Subject To Appropriation. Pursuant to [M.G.L. c. 29 §§ 26, 27](#) and [29](#), Departments are required to expend funds only for the purposes set forth by the Legislature and within the funding limits established through appropriation, allotment and subsidiary, including mandated allotment reductions triggered by [M.G.L. c. 29, § 9C](#). A Department cannot authorize or accept performance in excess of an existing appropriation and allotment, or sufficient non-appropriated available funds. Any oral or written representations, commitments, or assurances made by the Department or any other Commonwealth representative are not binding. The Commonwealth has no legal obligation to compensate a Contractor for performance that is not requested and is intentionally delivered by a Contractor outside the scope of a Contract. Contractors should verify funding prior to beginning performance.

Intercept. Contractors may be registered as Customers in the Vendor file if the Contractor owes a Commonwealth debt. Unresolved and undisputed debts, and overpayments of Contract payments that are not reimbursed timely shall be subject to intercept pursuant to [M.G.L. c. 7A, § 3](#) and [815 CMR 9.00](#). Contract overpayments will be subject to immediate intercept or payment offset. The Contractor may not penalize any state Department or assess late fees, cancel a Contract or other services if amounts are intercepted or offset due to recoupment of an overpayment, outstanding taxes, child support, other overdue debts or Contract overpayments.

Tax Law Compliance. The Contractor certifies under the pains and penalties of perjury: (1) tax compliance with federal tax laws; (2) tax compliance with state tax laws including, but not limited to, [M.G.L. c. 62C, § 49A](#), reporting of employees and contractors, withholding and remitting of tax withholdings and child support; and (3) Contractor is in good standing with respect to all state taxes and returns due, reporting of employees and contractors under [M.G.L. c. 62E](#), withholding and remitting child support including [M.G.L. c. 119A, § 12](#), TIR 05-11, New Independent Contractor Provisions and applicable TIRs.

Bankruptcy, Judgments, Potential Structural Changes, Pending Legal Matters and Conflicts. The Contractor certifies it has not been in bankruptcy or receivership within the last three calendar years which would negatively impact Contractor's ability to fulfill the terms of this Contract or Amendment. Contractor certifies that it will immediately notify the Department, in writing, of any filing for bankruptcy and/or receivership, any potential structural change in its organization, or if there is any risk to the solvency of the Contractor that may impact the Contractor's ability to timely fulfill the terms of this Contract or Amendment. The Commonwealth reserves the right to request additional information regarding the financial viability of the Contractor and its ability to perform. The Contractor certifies that at any time during the period of the Contract the Contractor is required to affirmatively disclose in writing to the Department Contract Manager the details of any judgment, criminal conviction, investigation or litigation pending against the Contractor or any of its officers, directors, employees, agents, or subcontractors, including any potential conflicts of interest of which the Contractor has knowledge, or learns of during the Contract term. Law firms or Attorneys providing legal services are required to identify any potential conflict with representation of any Department client in accordance with Massachusetts Board of Bar Overseers (BBO) rules.

Federal Anti-Lobbying and Other Federal Requirements. If receiving federal funds, the Contractor certifies compliance with federal anti-lobbying requirements including 31 USC § 1352; other federal requirements, Federal Executive Order 11246; Air Pollution Act; Federal Water Pollution Control Act and Federal Employment Laws.

Protection of Commonwealth Data, Personal Data and Information. The Contractor certifies that all steps will be taken to ensure the security and

CDBG funds may not be used to assist in the relocation of an industrial or commercial plant, facility, or operation from one area to another if the relocation is likely to result in a significant loss of employment in the area from which the relocation occurs.

5. **Changes of Use of Real Property:**

Real property owned or controlled by units of local governments and improved with CDBG funds, may not have its use changed for a period of five years after the closeout of the grant that assisted the property unless the change of use is consistent with 24 CFR 570.489(j). Further, grantees will certify to DHCD on an annual basis that they are maintaining the original use of the building.

6. **Program Income:**

Contractor will track, report and utilize any and all program income generated through CDBG funded activities as described in Chapter 11 of the CDBG Operations Manual.

7. **Photographic Documentation:** The Contractor shall submit photographs to the Department of all construction projects assisted with CDBG funds, illustrating conditions prior to, during, and at completion of the project. Photographs are to be submitted at the time of final quarterly report.

8. **Additional Special Conditions:**

IV. **REPORTING REQUIREMENTS**

The Contractor shall monitor the performance of all activities undertaken pursuant to this Contract to assure compliance with this Contract and the implementation schedule is being met, consistent with the schedule submitted with the Application, or any changes thereto approved by the Department.

- A. **Quarterly Activity Reports.** In accordance with the requirements set forth in the Massachusetts CDBG Program Operations Manual, the Contractor must submit to the Department electronic program reports at the end of each quarter of the program grant year using the Accounting/INTELLIGRANTS Grants Management System computer software (hereinafter "INTELLIGRANTS") found at the Department's internet website. The required quarterly reports must be submitted in accordance with the schedule established by the Department in the INTELLIGRANTS system for the grant received by the Contractor.

For purposes of filing the Final Quarterly Activity Report, please note that this report and other additional required information constitute the Close-Out Report as indicated in the Massachusetts CDBG Program Operations Manual.

- B. **Audit.** Pursuant to 2 CFR §200.501, if the Contractor has expended \$750,000.00 or more during their fiscal year in Federal awards, the Contractor shall cause to be prepared an audit of any expenditure from funds received pursuant to this Contract. Said audit shall be performed by an independent entity, and

shall be conducted in accordance with the procedures and requirements set forth in 2 CFR Part 200, subpart F which implements the Single Audit Act of 1996 (P.L. 104-156). The Department may at any time cause an audit to be made for the purpose of detecting fraud, waste, or mismanagement by the Contractor or subgrantee in addition to those stated in other paragraphs.

- C. **HUD 2516 Report.** In accordance with requirements set forth by HUD, the Contractor shall maintain data in INTELLIGRANTS for all contracts over \$10,000 for Minority-owned Business Enterprises Contracts (construction and non-construction) and subcontracts for the period ending September 30. DHCD will produce these reports and transmit to HUD directly on behalf of CDBG grantees.
- D. **Housing Activities Reporting.** For housing activities only, the Contractor shall submit to DHCD, via INTELLIGRANTS or other method required by DHCD, data required by DHCD regulations at 760 CMR 61.00, promulgated pursuant to Chapter 334 of the Acts of 2006, and all applicable DHCD directives, guidelines and forms as may be amended from time to time. The Contractor shall collect said data for the express purpose of reporting to DHCD, and the collection and reporting of said data shall comply with said regulations, directives, guidelines and forms.

V. PRIOR APPROVAL BY THE DEPARTMENT FOR CONTRACTUAL MANAGEMENT ASSISTANCE

A copy of the proposed contract for management assistance must be submitted to the Department for approval prior to its execution for any program or activity contracted, in whole or in part, to an entity other than the unit of local government receiving funds (or any subordinate unit of that government). In addition to all required contractual obligations including federal requirements, such contract must include: a detailed scope of services; a listing of the actual accomplishments of the contract; and a timetable for all payments that will be made.

VI. OTHER PROGRAM REQUIREMENTS:

A. Management

Contractor will implement funded activities in accordance with the management plan contained in the approved Application unless modified by special condition. Contractor must hire, as employees, consultants or by administering agency contract, qualified personnel for each position included in the management plan and maintain the staffing levels, positions and functions specified in the plan throughout the period of performance of this Contract.

Any substantive change in the management plan requires prior written approval by the Department. "Substantive" shall mean a change in the number of grant management staff positions, full-time equivalency(ies), or personnel at the management, professional or technical levels of the organization. Contractor is obligated to notify the Department, in writing, of any such changes within ten (10) days of their occurrence and submit for approval an interim management plan, including a description of the process and expected timeframe for filling a vacancy.

The Department reserves the right to review personnel hiring decisions for CDBG-funded grant management positions such as community development director or administrator, program manager or housing rehabilitation specialist; and to review selection of contractors for contracted grant management services such as consultants or organizations procured through a competitive process.

Failure to provide resumes of final candidates with ranking and selection criteria of professional positions prior to formally offering the candidate, consultant or organization, a position or contract may result in suspension of the grant.

B. Budget Amendments

Internal budget amendments that do not affect the total grant award shall be in accordance with the Massachusetts CDBG Program Operations Manual and the INTELLIGRANTS.

C. Cost Allocation Plans

A detailed cost allocation plan must be submitted to and approved by the Department prior to its execution whenever the Contractor contracts for the management of any portion of its grant to the following types of organizations: regional planning agencies; local housing authorities; local redevelopment authorities; community development corporations; non-profit housing agencies and other similar organizations.

D. Pre-Contract Costs

If the Contractor has been authorized by the Department grant award letter to undertake certain activities and incur certain costs prior to the execution of this Contract, the Contractor warrants that it has undertaken only those activities and incurred only those costs so authorized and agrees that all work performed prior to entering into this Contract shall be subject to all the terms and conditions of this Contract.

E. Indirect Cost Rate

The Contractor may apply an indirect cost rate consistent with that submitted in the approved Application. Any revisions to the rate must receive prior written approval from the Department. Approved revisions are incorporated herein and made a part of this Contract. Described rates must comply with 2 CFR part 200.

F. Signage in Construction Projects

The Contractor acknowledges that local awareness of grant programs is essential to the success of the program and that identification of specific projects is important in enhancing local awareness. In order to identify the project which is the subject of this Contract, the Contractor shall erect a temporary sign and, if applicable, permanent signs, which acknowledge the funding source as follows: The U.S. Department of Housing and Urban Development and the Department of Housing and Community Development, Massachusetts CDBG Program.

G. Publications

All publications resulting from the program funded by this contract shall acknowledge funding by the U.S. Department of Housing and Urban Development and the Department of Housing and Community Development, Massachusetts CDBG Program.

H. Confidentiality

The Contractor shall hold all personal data, wherever obtained, including, without limitation from an individual and the Department in accordance with Section 6 of the Commonwealth Terms and Conditions, the Standard Contract Form Instructions and Contractor Certifications, and all applicable Federal and State privacy and confidentiality laws and regulations, including without limitation, M.G.L.c.66A, "Massachusetts Fair Information Practices Act," M.G.L.c.93H, Security Breaches; M.G.L. c. 66 sec. 17A; 801 CMR 3.00: Privacy and Confidentiality; and 201 CMR 17.00: Standards for the Protection of Personal Information of Residents of the Commonwealth.

Pursuant to the requirements of the Standard Contract Form Instructions and Contractor Certifications and the Commonwealth Terms and Conditions, the Contractor certifies that the Contractor has reviewed and shall comply with all information security programs, plans, guidelines, standards and policies that apply to the work to be performed under this Contract, that the Contractor shall communicate these provisions to and enforce them against its subcontractors, and that the Contractor shall implement and maintain any other reasonable and appropriate security procedures and practices necessary to protect personal information to which the Contractor is given access as part of this Contract, from unauthorized access, destruction use, modification, disclosure, or loss.

The Contractor understands and agrees that only those employees who must access personal data for the performance of their job duties under CDBG are authorized to access such personal data. These authorized employees shall not use or disclose this data for purposes other than those required to fulfill their job duties under CDBG. Pursuant to the above, the Contractor acts as a holder of personal data and the Contractor certifies that it and its authorized employees shall comply with all Federal and State laws and regulations applicable to the data, including but not limited to M.G.L. c. 66A, M.G.L. c. 93H, and M.G.L. c. 66 sec. 17A. DHCD and the Contractor shall not use any of the foregoing data for any purpose described in Section 603(d)(1) of the federal Fair Credit Reporting Act (15 U.S.C. § 1681a(d)(1)) or in any manner that would cause DHCD or the Contractor to be considered a "consumer reporting agency" under Section 603(f) of the federal Fair Credit Reporting Act (15 U.S.C. § 1681a(f)).

I. For Housing Activities:

1. **Affordable Housing Restriction** - All projects supporting the creation, preservation, and rehabilitation of rental and owner-occupied housing units must be affordable to Low- and Moderate-income persons for at least a fifteen (15) year period. Rehabilitation assistance for owner-occupied properties must be secured by a mortgage or lien on the subject property that restricts rent levels in Low- and Moderate-income units for a minimum term of fifteen (15) years from the date of rehabilitation completion or for as long as the loan is outstanding. Rehabilitation assistance for investor-owned properties must be secured by a mortgage or lien on the subject property and the affordability requirements must be secured by an **affordable housing restriction** provided and approved by DHCD on the subject property, which runs with the land and restricts rent levels in Low- and Moderate-income units for a minimum of fifteen (15) years from the date of rehabilitation completion. An "owner-occupied property" is defined as a property that contains no more than four (4) units, one of which is occupied by the owner. All other properties are considered "investor-owned properties."

Rentals of units in any assisted property shall further meet the requirements outlined in paragraph I. 2 below.

2. **Rent Limits** – Owners of rental property to be rehabilitated with program assistance provided pursuant to this Contract shall be required to sign an agreement to maintain rents at affordable levels for a minimum of fifteen (15) years after the completion of the rehabilitation (unless, in the case of owner-occupied properties, the loan is paid in full by an owner-occupant prior to this time). Such affordable rent agreement shall apply to units occupied by low- and moderate-income persons as well as units that are vacant at the time of the owner's application to the program. At the time of application, the owner shall certify that no tenant has been or will be displaced or relocated without due cause for the purposes of evading the terms of such agreement. At a minimum, such agreement shall include the following provisions:

- I. The owners shall agree to enter into a lease agreement with tenants which will include (i) the term of the rental agreement; and (ii) the maximum allowable rent to be charged for the subject unit. The Contractor shall also ensure that all tenants in affected units receive the above information in writing.
- II. Rent shall be calculated taking into account the owner's share of the cost of the rehabilitation as well as the operating expenses, but shall not exceed the lesser of the Section 8 Existing Housing Program Fair Market Rents as established by HUD for the area pursuant to 24 CFR 888 or the High HOME Rents established by HUD pursuant to 24 CFR 92.252(a)(2). Thereafter, annual rent adjustments may not exceed the limits allowed by HUD in the annually published schedules of High HOME or Section 8 Existing Housing Program Fair Market Rents. In addition, the Contractor shall ensure that required displacement and relocation assistance is afforded to all eligible persons as required by the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC § 4601-4655) and the HUD regulations at 24 CFR 570.606.

- III. The owner shall agree to notify the appropriate housing agencies of the availability of any units covered by the terms of this agreement, and shall not refuse to rent to tenants holding Section 8 Existing Housing Certificates, Massachusetts Rental Voucher Program Vouchers, or any other recognized housing voucher certifications except for good cause. If the Contractor or the subject property is located within the Boston-Cambridge-Quincy PMSA, the owner shall also agree to list all of the Low- and Moderate-income units with the Boston Fair Housing Commission MetroList (Metropolitan Housing Opportunity Clearing Center).

The Contractor shall adhere to the Department-approved Recapture and Anti-Speculation Plan which includes a description of how it will ensure that the level of Low- and Moderate-income benefit and terms of affordability specified herein will be maintained. The description shall include the procedures by which the Contractor will monitor compliance with its rental agreement policy, including the designation of responsible staff person(s), method of monitoring compliance, and corrective actions to be taken by the Contractor in the event of non-compliance.

In addition, the Contractor will maintain records for each Low- and Moderate-income unit regarding the rent and tenant's household income at the time of application, at the time of completion of rehabilitation, at the termination of the rental agreement, and at the time a new lease is executed, for the duration of the affordability term. The Director of the Department, if requested to do so in writing by the Contractor, may waive any of the above provisions of this section not required by law if the Contractor has demonstrated to the satisfaction of the Director of the Department that compliance with this condition would adversely affect the implementation of the Contractor's approved program.

3. **Participant Approval** - The determination of an individual's eligibility for program participation shall not be subject to the approval of any local governing body unless required by law. In these instances, the appropriate citation shall be provided to the Department, accompanied by a plan to protect the privacy of individuals and guarantee objectivity in the process. Any such plan shall be subject to Department approval.

4. **Code Violations** - General property improvements shall not be permitted unless specifically needed to correct violations of Article II of the Massachusetts Sanitary Code.

5. **Single Case Waivers** - Contractor shall obtain prior DHCD authorization for projects the cost of which will exceed \$35,000 per unit, except in projects involving lead, barrier removal, septic, asbestos, historic preservation, for which the prior authorization of the Department will be required when projects exceed \$40,000 per unit in cost. Municipalities must request a Single Case Waiver from DHCD utilizing the appropriate Single Case Waiver form from the Mass. CDBG Implementation Manual. Prior to authorization, DHCD may also request additional documentation from Contractor to demonstrate need, reasonableness of costs, and compliance with applicable federal and state requirements.

DISCLOSURE FORM (To Be Completed and Signed by the Contractor)

The Contractor is required to complete and sign a *Certification Regarding Disclosure Requirements for Activities Receiving \$200,000 or More*. Following are guidelines for completing the form. For further clarification, consult HUD regulations at 24 CFR Part 4.

1. The attached Disclosure Form serves as the first of a series of reports. Updates showing any change to the original Disclosure Form shall be submitted quarterly, together with the Quarterly Reports. **If the parties are not known at this time, please type in "Parties with a financial interest not known at this time. The Contractor shall update and forward when appropriate." If it is clearly not applicable, type in "Not Applicable."**
2. This Disclosure Form identifies:
 - the assistance expected from other government sources in connection with the project or activity;
 - financial interest of persons in the project;
 - sources of funds to be made available for the projects; and
 - uses of the funds.
3. For purposes of this Disclosure Form, a **project** is an activity which was applied for and received \$200,000 or more. For example, under a housing rehabilitation program, individual housing rehabilitation cases are considered **projects**; under a Public Facilities Program is a program, a water system rehabilitation project is considered a **project**; under a Public Social Services program, a provider or a group of activities is considered a **project**; under the Community Economic Development Program, while a Small Business Revolving Loan Program is considered a sub-program, individual cases are considered **projects**.
4. The \$200,000 threshold refers to a single project receiving CDBG funding equal to \$200,000 or more, or receiving less than \$200,000 in CDBG funds but anticipated to receive a total of \$200,000 in combined CDBG funds and other government (federal, state, or local) funds.

Large infrastructure projects are anticipated to be covered. Individual housing rehabilitation contracts, unless anticipated to be \$200,000 or more in combined government costs, are usually not covered. Small Business Loan Program pool funds, unless an individual loan is anticipated to be at \$200,000 or more in combined costs, are usually not covered.
5. Financial interest in a project includes, but is not limited to, equity, shares in profit on resale, any distribution of surplus cash or assets, or compensation for goods and services. The parties who must disclose their financial interest in a project include:
 - all developers, contractors, consultants involved in the application for the financial assistance, or in the planning, development, or implementation of the project;
 - all others with financial interest that exceeds \$50,000 or 10% of the assistance (whichever is lower).

Such a party may be an organization (e.g., a non-profit or a for-profit consulting group), or an individual. For organizations, please note that the name of each officer, director, and principal stockholder of the entity must be included in the Disclosure Form.

\$ of Project/Activity	\$ Paid to Party	Disclosure Form Applies?
Total grant is >\$200,000 - funded for a \$200,000 project	Does not matter	Yes
Total grant is >\$200,000 - no \$200,000 project cost	=, > \$50,000 < \$50,000	Yes No
Total grant is \$200,000, no line item is \$200,000	=, > \$50,000 (total, not just CDBG)	Yes
Total grant is \$200,000, no line item is \$200,000	=, > \$20,000, < \$50,000, (total, not just CDBG)	No
Total grant is >\$200,000, no line item is \$200,000	=, >, \$20,000, < \$50,000	No
Total grant is >\$200,000, no line item is \$200,000	=, > \$50,000 (total, not just CDBG)	Yes

Examples:

If an application was prepared by a consultant and contains a line item for \$200,000 or more, then the consultant is considered to be a party with financial interest in the project. (e.g.; if an application was submitted for \$800,000 and \$500,000 was awarded, and there is a line item that will result in a contract for \$200,000, the consultant who prepared the application will be considered a party with financial interest in the project).

If there is no single line item which costs at least \$200,000, but the total compensation provided to a consultant is \$50,000, the consultant will be considered a party with financial interest in the project.

If a consultant will be hired to implement a \$200,000 or larger grant program, the consultant will file this Disclosure Form.

If the entire grant is less than \$200,000 but the compensation is \$50,000 or more the consultant will file this Disclosure Form.

If the entire grant is less than \$200,000, and the compensation to the consultant is less than \$50,000, then the Chief Elected Official needs to certify that the Disclosure Form does not apply by indicating "Not Applicable" on the form.

6. Because a project's contract cost may not be known at this time, updates need to be provided to the Department. For ease in reporting, these updates need to be provided on a quarterly basis, at the same time that the Quarterly Activity Reports are filed. A form shall be forwarded to all Contractors before the end of the first quarter. This form shall be completed and signed by the Chief Elected Official and submitted with the Quarterly Report.

For any further questions, please contact your program representative at (617) 573-1400.

Congratulations on being one of the successful applicants.

This award is contingent upon the execution of a CDBG grant contract between the Department of Housing and Community Development (DHCD) and the U.S. Department of Housing and Urban Development, as well as on the Town of Buckland's execution of a grant contract with DHCD and the satisfaction of its special conditions and requirements.
